

STRATEGIC Kids®

at Red Hill Elementary

Our Origami program will introduce your child to the mesmerizing Japanese art form and culture! Our expert instructors will guide your little ones through each step, ensuring they master the precise folds and intricate techniques to create stunning origami masterpieces they can take home at the end of each class. From adorable animals like dogs and cats to objects like samurai helmets and ninja stars, they'll bring captivating creations to life!

Origami teaches

- Physics Concepts
 - Structure
- Cognitive Skills
- Trial and Error
